

- Try to work at home as much as possible.
- Pay more attention to the notes done in class
- Read the book.
- Make sure to take good notes and to ALWAYS stay on task.
- Please don't procrastinate :^)
- It's all about the concepts.
- STUDY EVERYTHING
- Study WA
- Stay ahead
- Get the Five steps to a five in AP2 Review book
- Never let yourself get behind on work.
- Do all your work and you will get an A.
- Just work hard. You won't do well in this class if you don't work to achieve results
