

- Do all your work and keep up with moodles
- Remember to do the moodles
- Don't procrastinate the work piles up quickly, and the projects are difficult to do last minute.
- Be ready to work, and don't procrastinate
- Don't miss school or you'll have catching up to do.
- Pay attention and do your work.
- Do your homework.
- Focus more on the tests and stay for the tests
- Don't slam the table. That is how enemies are made.
- Take notes on everything and do the moodles.
- Look at schoolloop and manage your time properly.
- JUST. DO. THE HOMEWORK. DON'T PUT IT OFF. JUST DO IT.
- Just do the work already whether you like it or not!
- Do. Not. Procrastinate. Do your stuff on time and always look at the board.
- Do your work
- Do textbook work and never miss moodle assignments.
- Do the moodles
- Always study for the tests by doing moodles
- Get ready to take a bunch of moodles
- Do the moodles and the Written T&S if you do nothing else and to review for the final.
- Be prepared to do a lot of work but it should be easy to get an A
- Don't wait until last minute to do a project!
- Stay on top of the moodles there a lot harder to make up than worksheets.
- Prepare for projects to take a lot of time
- It is loads of work and you cannot slack off or else you'll get behind on a lot of work
- Don't stay up too late
- Use the book
